

CWS Event Feedback Form

Please take some time to generate feedback on our latest school event. Your feedback is so important to consider when planning our school events and with open communication, our events will continue to develop and run more smoothly.

Thanks so much for your feedback! Please turn your form into the main office.

Name (optional): _____

Event Name: _____

What went really well at this event? Please be sure to consider: weather, time of event, attendance, venues, food, etc.

How well did CWS communicate the event? Did your family feel well informed or confused?

What could have been improved at this event?

What feedback, questions, comments and concerns do you have that could help on future events?

Please share any other important feedback with us!
(Please use the other side of this form if needed)

Please turn this form into the main office. Thank you again for your input!
